Wormit Boating Club offers facilities for a broad range of water-based activities, catering for the beginner to the more experienced in cruising, training, fun and competitive events. Dinghy races are held each weekend from April to October and weekday evenings when the tides permit. The club enjoys an active and varied social calendar.

Completed applications should be sent to the Membership Convenor: -

**Karen Karran 1 MacDuff Drive Tayport DD6 9EZ – 07980317659 [karrans@sky.com](mailto:karrans@sky.com)**

Should you wish any additional information please contact the **Commodore**: -

**Hamish Myles 07845906648 [hamish.myles@sse.com](mailto:hamish.myles@sse.com)**

### St Ayles Skiff Rowing

The club was founded on rowing in 1911 hence the name Boating Club rather than sailing. The rowers returned to the Club in 2014. They have their own skiff and are out almost every weekend so come down for a chat and a row. For more information contact **Andy Gillies 07503117103 [banda.gillies@btinternet.com](mailto:banda.gillies@btinternet.com)**

### Dinghy Sailing

Dinghies can be kept in the locked Dinghy Park at the Club all year round if necessary. Fees are paid for summer and winter storage. The dinghy park gets very full in the summer and early notification of places needed is appreciated.

**Dinghy Park Convenor, Simon Little, 9 Bay Road, Wormit, Fife. DD6 8LU - 01382 543041 [simon@kinbank.org](mailto:simon@kinbank.org)**

The club has a number of dinghies for the use of members. Please arrange with the Officer of the Day (OOD).

### Club Boats

There will be a £5.00 charge on a per dinghy basis for the use of a club sailing dinghy by an Adult Member. There is no charge for Cadet Members and no charge if a Cadet and Adult Member sail together. This is to help with the cost of the sailing boats maintenance. Club Boat usage will be recorded on the daily sailing log and recharged to the Member.

### Keel Boats

Keelboat owners need to provide their own mooring suitable for their boat. The maximum all up weight of a mooring including chain is 1 tonne. The club can provide advice on minimum requirements and reserves the right to inspect moorings prior to laying them. Crown Estate fees apply to all moorings laid, but the fees are lower than the individual rate as the club is a mooring association. The convenor and all keel boat members are involved with the arrangements for lifting and laying of their moorings. There is a separate sheet available on request with full details of the moorings and other arrangements relating to keelboats at the club. All moorings must be discussed and agreed with the **Keel Boat Convenors:- Dave Shields 07713284386 [shields650@msn.com](mailto:shields650@msn.com) or Bob Blyth 07840664746 [blythbob@yahoo.co.uk](mailto:blythbob@yahoo.co.uk)**

Keel boats are launched and lifted out by arrangement to avoid conflicts with other sailing activities. Please contact the mooring convenor to discuss especially if you need a crane.

**Boats can be stored in the winter either in the dinghy park for a small fee or on the hard standing (space permitting)**

### Racing and Events

All dinghy and keelboat racing and events are published in the members' sailing programme, which is sent out at the beginning of each year. Each race and event has safety cover.

All events past and present are reported in the **Wormit Boating Club** web site and sent to all paid up members and to which contributions are always welcome. Our **Events and Publicity Convenor Becky Myles [becky.myles@sse.com](mailto:becky.myles@sse.com) 07808260582**

### Duties

All members are allocated duties including Officer of the Day (OOD), Assistant Officer of the Day (AOOD), Safety and Kitchen. Most members may have up to 4 duties per season, but usually only 2. Duties are allocated according to preference, sailing knowledge and, if known, suitable dates. **Members must check their duties when the Sailing Programme is sent out and, if unable to honour, exchange with another member.** Membership Lists are available from the Membership Secretary on request and a copy is on display in the club. As a new member you may be asked to help out. Support will be given and you will not be given a duty you feel unable to cope with, however it is your responsibility if you feel you are unable to fulfil your duty for any reason.

### Club Keys

There will be a **£5.00 refundable charge for a club key** and a **£20.00 refundable charge for the council slip (Pier) key.**
